

St. Patrick Catholic Church of Wapella

2022-2023 Religious Education Program Kindergarten-Confirmation

Mission Statement:

We are instruments of Christ; through us He will spread His message. Our mission is to make the Catholic faith become living, conscious, and active in the hearts and souls of our young people. Through prayer, study and preparation we will share the mysteries of our faith and lead our young people, our church community and ourselves to a deeper and more meaningful relationship with Jesus Christ, our Lord and Savior.
